Distracted Driving Campaign

The Winnebago County Sheriff's Department will be participating in a Distracted Driving campaign the entire month of April. We will be stepping up enforcement on various distracted driving violations, which are the number one cause of traffic crashes throughout the state. We will also be stepping up seat-belt enforcement throughout this campaign.

The campaign runs April 1st – April 30th.

This month of Distracted Driving enforcement effort is made possible by federal traffic safety funds administered by the Illinois Department of Transportation.
